

THANK YOU FOR YOUR SUPPORT

Liberty School and Skills Acquisition Center, our first school built in February 2021 has provided educational opportunities for over 350 widows and 225 children. Many widows have started their own businesses with the skills they learned. They are now providing food and housing for their families.

- Feb 2022 - The brick wall surrounding Lighthouse property completed
- March 2022 - 150 menstruation kits distributed
- April 2022 - 150 Bibles purchased for distribution.
- June 2022 - Water well honorarily named "Glory" installed in the community surrounding Liberty School.
- July 2022 - 14 boxes of teaching supplies arrive in Nigeria
- Sept 2022 - 60 Liberty students take their primary exam and 58 passed
- Oct 2022 - Fall Gala raises \$3200.00 to begin building Phase One Lighthouse Center.

OUTLOOK FOR 2023

Building Lighthouse Center (School #2)

The community surrounding Lighthouse Center property is poverty stricken. There is no running water, no electricity, and streets are overrun by children who are not in school.

Together we can build The Lighthouse Center

With your help, we will provide a safe, caring, supportive environment that values and empowers those living in poverty with a holistic approach. Our emphasis will be on helping individuals understand the impact their choices have on themselves, other people, and the world. Individuals will be taught how to assess social problems within their community and develop solutions to address them. Observation, listening skills, data collection, and creating relationships are all part of this holistic approach.

Other non-profits have come alongside H.O.P.E. to begin this journey. Together we will provide education to improve the lives of all. We visualize change that will cultivate a healthy, sustainable community, and increase the quality of life for generations to come.

Physical: Madison Chapter of L.I.N.K.S., MG21 Charter School, and Karas Dental have joined H.O.P.E. and provided supplies for teaching proper hygiene. Nutrition, child development, exercise, access to safe water, sanitation, and disease prevention are areas that will be addressed in the future.

Social/Emotional: Trauma Free World has joined us! Your gift can provide H.O.P.E. staff members the opportunity to take specialized trauma training. H.O.P.E. staff can then assist others who have experienced trauma so healing can begin.

Intellectual/Occupational: Along with small business development training, the Lighthouse skills acquisition program will offer tailoring, soap making, and pasta making classes. Programming will expand as opportunities arise.

Spiritual: Thanks to the Frontiers Organization, our staff has attended discipleship training. Christian values will be embedded in our curriculum as we share the love of Christ to the Muslim community.

Proposed Phase One vision of Lighthouse Center

By becoming a partner of H.O.P.E., you can provide the means to continue building the self-sustaining Lighthouse Center that will change individuals, families, and communities for generations to come.

Please consider a monthly, a one-time donation, or increasing your current donation to build The Lighthouse Center in northern Nigeria.

Your donation is tax deductible.

Three ways to give:

1. Give online at www.hopeduc8.org Click on donate.

2. Mail your check payable to "Christian Ministry Alliance" to

Christian Ministry Alliance
P.O. Box 7735
Goodyear AZ 85338

Write "3050" on the memo line.

3. ChristianMinistry paypal link:
www.paypal.com/donatehosted_button_id=PGDDMRLYTU4 or Scan the code below.

4. For Christmas, consider donating in someone's name. This is a great gift for someone who is hard to buy for or for someone who has it all. They will receive a handwritten thank-you note from H.O.P.E. See below for this option.

For more information please call Angela at 608-305-4673.
